SIRIO ULTRA BLACK

Uncoated, light-fast black paper and boards. Made carbon black free, pure ECF and FSC® certified.

SIRIO COLOR

Available in 9 brilliant, intense, light-fast colors with a smooth surface for printing and packaging applications. Pure ECF and FSC® certified.

IMITLIN

Tough and resistant to tearing and fading, it is the perfect paper for converting and bookbinding and its special anti-fingerprint treatment will protect your boxes or covers over time. The entire range is FSC® certified.

IMITLIN METAL

Imitlin Metal is made from virgin fibers, with an embossed metallic surface. The range boasts high abrasion resistance with an anti-finger printing treatment and excellent tear and folding strength. Imitlin Metal is especially suitable for lining. Available in five light-fast colors. The entire range is FSC® certified.

IMITLIN ALLPACK

Imitlin Allpack is made from virgin fibers. The range boasts high abrasion resistance with an anti-finger printing treatment and excellent tear and folding strength. Imitlin Allpack is ideal for packaging, coordinated sets and cover. Available in five light-fast colors and two embosses. The entire range is FSC® certified.

MATERICA

Papers and boards made with 40% CTMP fibers, 25% pure environmentally friendly fibers, 25% recycled material and 10% cotton fibers. Materica is a unique product available in ten shades. The cotton fibers create roughness to the surface and pure cellulose fibers add volume and strength, making it ideal for all packaging applications. Materica is extremely versatile and is ideal for packaging, coordinated graphics, covers, inserts, catalogs, tags and luxury brochures.

MISTRAL

A timeless decorative paper characterized by classic elegance. It has a very delicate and distinguished texture of fine embossing on both sides. A subtle yet distinctive tactile and visual experience that refines any project with a luxurious allure and elevates a designers' creativity. The entire range is carbon black free and FSC® certified.

X-PER

A compromise between the excellent print yield of coated papers and the unmistakable feel of natural papers. X-Per is the FSC® certified line of papers and boards made from pure ECF cellulose. Thanks to a special treatment on both sides, X-Per is firm to the touch and allows sharp and brilliant printing results.

SYMBOL TATAMI

Coated two sides, matte finish, high-bulk paper and boards. Available in white and ivory Made with environmentally friendly ECF pure cellulose. The entire range is FSC® certified.
