### SALES TAX RULES AND REGULATIONS

#### To Our Customers:

In compliance with Sales and Use Tax Laws it is necessary that we have from all of our customers a signed re-sale certificate, with their State Sales Tax Permit Number, to show that the merchandise has been purchased for re-sale.

The good faith of the seller will be questioned if he has knowledge of facts which give rise to a reasonable inference that the purchaser does not intend to resell the property as, for example knowledge that a purchaser of particular merchandise is not engaged in the business of selling that kind of merchandise Under "Description of property to be purchased" there may appear:

1. Either an itemized list of the particular property to be purchased for resale, or
2. A general description of the kind of property to be purchased for resale. Such certificate is good until revoked in writing.

**(ALL signatures MUST be signed physically. Typed names or digital signatures will not be accepted.)**
