

SUMMIT COATED COVER - C1S

NEW

Spicers Paper is excited to introduce you to our brand new coated board grade—**Summit Coated Cover**. This BCTMP sheet is available in both C1S and C2S in a wide variety of calipers and sheet sizes. Our Summit C1S contains an excellent print gloss resulting in vibrant color results and extremely sharp images.

Superior Yield

Both C1S and C2S offer terrific yield, providing a value sheet without compromising print quality.

91 Brightness C1S

A brilliant white shade yields consistency, bold colors, halftones and solids.

Evenly Coated

Micro-textured surface evenly coated for superior printing with consistent surface and caliper characteristics.

High Bulk

Resulting in a wonderful stiffness perfect for die-cutting, embossing and foil stamping.

APPLICATIONS

Beverage and Multi-pack, Cosmetic and Luxury, Pharmaceutical, Handbags, Point of Purchase Displays, Marketing Collateral, Specialty Packaging, Pocket Folders and so much more.

Stocking items may vary from region to region. Please contact your local Spicers Sales Representative for more information.
