

# SUMMIT COATED COVER - C2S

**NEW**

**Spicers Paper** is excited to introduce our brand new coated board grade—**Summit Coated Cover**. This BCTMP sheet is available in both C1S and C2S in a wide variety of calipers and sheet sizes. Our Summit C2S contains an excellent print gloss resulting in vibrant colors, precise ink-lay and extremely clear images.

## FEATURES AND BENEFITS

### Superior Yield

Both C1S and C2S offer terrific yield, offering a value sheet without compromising print quality.

### 93 Brightness C2S

A brilliant white shade yields consistency and bold colors, halftones and solids.

### Evenly Coated

Evenly coated micro-textured surface for superior printing with consistent surface and caliper characteristics.

### High Bulk

Resulting in a wonderful stiffness that is perfect for die-cutting, embossing and foil stamping.
