

Conform[®] APPLICATION TAPE WITH RLA

Lays flat. No edge curling, wrinkling or tunneling.

Conform[®] is the original application tape with RLA[®] Release Liner Adhesion. With RLA, Conform sticks to slick release liners, so tapes do not “dog ear” and stick together. Graphics stay neater and cleaner, even when rolled.

4075RLA / HIGH TACK

Standard weight paper application tape with a high tack rubber adhesive. Perfect for small to mid sized pre-spaced vinyls and printed graphics.
